

EAST PROVIDENCE WATERFRONT DISTRICT COMMISSION

Date: October 19, 2020

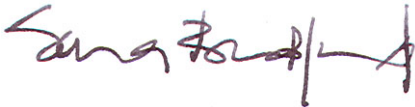

To: Christopher Martin, Executive Director

Topic: Kettle Point Condo Buildings 1-6
Kettle Point Road, East Providence, RI

My concerns noted in my 10.6.20 memo have been satisfactorily addressed. The curb alignment as shown on the drawings is as proposed (not existing). Planting has been added between D2R and D3L and the west side of D1L, the noted street tree has been adjusted, and substitutions provided for the more vulnerable materials.

. If there are questions, please let me know.

Thank you,
